---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Sections 99.805, 99.810, 99.835, 99.845, and 99.865, RSMo, are repealed and  
2 five new sections enacted in lieu thereof, to be known as sections 99.805, 99.810, 99.835,  
3 99.845, and 99.865, to read as follows:

99.805. As used in sections 99.800 to 99.865, unless the context clearly requires  
2 otherwise, the following terms shall mean:

3 (1) "Blighted area", an area which, by reason of the predominance of defective or  
4 inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements,  
5 improper subdivision or obsolete platting, or the existence of conditions which endanger life or  
6 property by fire and other causes, or any combination of such factors, retards the provision of  
7 housing accommodations or constitutes an economic or social liability or a menace to the public  
8 health, safety, morals, or welfare in its present condition and use;

9 (2) "Collecting officer", the officer of the municipality responsible for receiving and  
10 processing payments in lieu of taxes or economic activity taxes from taxpayers or the department  
11 of revenue;

12 (3) "Conservation area", any improved area within the boundaries of a redevelopment  
13 area located within the territorial limits of a municipality in which fifty percent or more of the  
14 structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted  
15 area but is detrimental to the public health, safety, morals, or welfare and may become a blighted

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

16 area because of any one or more of the following factors: dilapidation; obsolescence;  
17 deterioration; illegal use of individual structures; presence of structures below minimum code  
18 standards; abandonment; excessive vacancies; overcrowding of structures and community  
19 facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land  
20 coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of  
21 community planning. A conservation area shall meet at least three of the factors provided in this  
22 subdivision for projects approved on or after December 23, 1997;

23 (4) **"Disaster area", a blighted area located within a municipality for which public**  
24 **and individual assistance has been requested by the President under Section 401 of the**  
25 **Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Section 5121,**  
26 **et seq., provided that the municipality adopts an ordinance approving the redevelopment**  
27 **project within two years after the President declares such disaster;**

28 (5) "Economic activity taxes", the total additional revenue from taxes which are imposed  
29 by a municipality and other taxing districts, and which are generated by economic activities  
30 within a redevelopment area over the amount of such taxes generated by economic activities  
31 within such redevelopment area in the calendar year prior to the adoption of the ordinance  
32 designating such a redevelopment area, while tax increment financing remains in effect, but  
33 excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by  
34 transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment  
35 projects or redevelopment plans approved after December 23, 1997, if a retail establishment  
36 relocates within one year from one facility to another facility within the same county and the  
37 governing body of the municipality finds that the relocation is a direct beneficiary of tax  
38 increment financing, then for purposes of this definition, the economic activity taxes generated  
39 by the retail establishment shall equal the total additional revenues from economic activity taxes  
40 which are imposed by a municipality or other taxing district over the amount of economic  
41 activity taxes generated by the retail establishment in the calendar year prior to its relocation to  
42 the redevelopment area;

43 [(5)] (6) "Economic development area", any area or portion of an area located within the  
44 territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and  
45 (3) of this section, and in which the governing body of the municipality finds that redevelopment  
46 will not be solely used for development of commercial businesses which unfairly compete in the  
47 local economy and is in the public interest because it will:

48 (a) Discourage commerce, industry or manufacturing from moving their operations to  
49 another state; or

50 (b) Result in increased employment in the municipality; or

51 (c) Result in preservation or enhancement of the tax base of the municipality;

52        [(6)] (7) "Gambling establishment", an excursion gambling boat as defined in section  
53 313.800 and any related business facility including any real property improvements which are  
54 directly and solely related to such business facility, whose sole purpose is to provide goods or  
55 services to an excursion gambling boat and whose majority ownership interest is held by a person  
56 licensed to conduct gambling games on an excursion gambling boat or licensed to operate an  
57 excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be  
58 applicable only to a redevelopment area designated by ordinance adopted after December 23,  
59 1997;

60        [(7)] (8) "Greenfield area", any vacant, unimproved, or agricultural property that is  
61 located wholly outside the incorporated limits of a city, town, or village, or that is substantially  
62 surrounded by contiguous properties with agricultural zoning classifications or uses unless said  
63 property was annexed into the incorporated limits of a city, town, or village ten years prior to the  
64 adoption of the ordinance approving the redevelopment plan for such greenfield area;

65        [(8)] (9) "Municipality", a city, village, or incorporated town or any county of this state.  
66 For redevelopment areas or projects approved on or after December 23, 1997, "municipality"  
67 applies only to cities, villages, incorporated towns or counties established for at least one year  
68 prior to such date;

69        [(9)] (10) "Obligations", bonds, loans, debentures, notes, special certificates, or other  
70 evidences of indebtedness issued by a municipality to carry out a redevelopment project or to  
71 refund outstanding obligations;

72        [(10)] (11) "Ordinance", an ordinance enacted by the governing body of a city, town, or  
73 village or a county or an order of the governing body of a county whose governing body is not  
74 authorized to enact ordinances;

75        [(11)] (12) "Payment in lieu of taxes", those estimated revenues from real property in the  
76 area selected for a redevelopment project, which revenues according to the redevelopment  
77 project or plan are to be used for a private use, which taxing districts would have received had  
78 a municipality not adopted tax increment allocation financing, and which would result from  
79 levies made after the time of the adoption of tax increment allocation financing during the time  
80 the current equalized value of real property in the area selected for the redevelopment project  
81 exceeds the total initial equalized value of real property in such area until the designation is  
82 terminated pursuant to subsection 2 of section 99.850;

83        [(12)] (13) "Redevelopment area", an area designated by a municipality, in respect to  
84 which the municipality has made a finding that there exist conditions which cause the area to be  
85 classified as a blighted area, a conservation area, an economic development area, an enterprise  
86 zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only

87 those parcels of real property directly and substantially benefitted by the proposed redevelopment  
88 project;

89 [(13)] (14) "Redevelopment plan", the comprehensive program of a municipality for  
90 redevelopment intended by the payment of redevelopment costs to reduce or eliminate those  
91 conditions, the existence of which qualified the redevelopment area as a blighted area,  
92 conservation area, economic development area, or combination thereof, and to thereby enhance  
93 the tax bases of the taxing districts which extend into the redevelopment area. Each  
94 redevelopment plan shall conform to the requirements of section 99.810;

95 [(14)] (15) "Redevelopment project", any development project within a redevelopment  
96 area in furtherance of the objectives of the redevelopment plan; any such redevelopment project  
97 shall include a legal description of the area selected for the redevelopment project;

98 [(15)] (16) "Redevelopment project costs" include the sum total of all reasonable or  
99 necessary costs incurred or estimated to be incurred, and any such costs incidental to a  
100 redevelopment plan or redevelopment project, as applicable. Such costs include, but are not  
101 limited to, the following:

102 (a) Costs of studies, surveys, plans, and specifications;

103 (b) Professional service costs, including, but not limited to, architectural, engineering,  
104 legal, marketing, financial, planning or special services. Except the reasonable costs incurred  
105 by the commission established in section 99.820 for the administration of sections 99.800 to  
106 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be  
107 included in the costs of a redevelopment plan or project;

108 (c) Property assembly costs, including, but not limited to, acquisition of land and other  
109 property, real or personal, or rights or interests therein, demolition of buildings, and the clearing  
110 and grading of land;

111 (d) Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings  
112 and fixtures;

113 (e) Initial costs for an economic development area;

114 (f) Costs of construction of public works or improvements;

115 (g) Financing costs, including, but not limited to, all necessary and incidental expenses  
116 related to the issuance of obligations, and which may include payment of interest on any  
117 obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period  
118 of construction of any redevelopment project for which such obligations are issued and for not  
119 more than eighteen months thereafter, and including reasonable reserves related thereto;

120 (h) All or a portion of a taxing district's capital costs **and, in the case of a**  
121 **redevelopment area that contains a disaster area, all or a portion of a taxing district's**  
122 **operating costs and its debt service costs** resulting from the redevelopment project necessarily

123 incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project,  
124 to the extent the municipality by written agreement accepts and approves such costs;

125 (i) Relocation costs to the extent that a municipality determines that relocation costs shall  
126 be paid or are required to be paid by federal or state law;

127 (j) Payments in lieu of taxes;

128 [(16)] (17) "Special allocation fund", the fund of a municipality or its commission which  
129 contains at least two separate segregated accounts for each redevelopment plan, maintained by  
130 the treasurer of the municipality or the treasurer of the commission into which payments in lieu  
131 of taxes are deposited in one account, and economic activity taxes and other revenues are  
132 deposited in the other account;

133 [(17)] (18) "Taxing districts", any political subdivision of this state having the power to  
134 levy taxes;

135 [(18)] (19) "Taxing districts' capital costs", those costs of taxing districts for capital  
136 improvements that are found by the municipal governing bodies to be necessary and to directly  
137 result from the redevelopment project; and

138 [(19)] (20) "Vacant land", any parcel or combination of parcels of real property not used  
139 for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of  
2 the program to be undertaken to accomplish the objectives and shall include, but need not be  
3 limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the  
4 costs, evidence of the commitments to finance the project costs, the anticipated type and term  
5 of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued,  
6 the most recent equalized assessed valuation of the property within the redevelopment area  
7 which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to  
8 section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the  
9 general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted  
10 by a municipality without findings that:

11 (1) The redevelopment area on the whole is:

12 (a) A blighted area, a conservation area, or an economic development area, and has not  
13 been subject to growth and development through investment by private enterprise and would not  
14 reasonably be anticipated to be developed without the adoption of tax increment financing. Such  
15 a finding shall include, but not be limited to, a detailed description of the factors that qualify the  
16 redevelopment area or project pursuant to this subdivision and an affidavit, signed by the  
17 developer or developers and submitted with the redevelopment plan, attesting that the provisions  
18 of this subdivision have been met; **or**

19           **(b) A blighted area in which a majority of the property is located within a disaster**  
20 **area;**

21           (2) The redevelopment plan conforms to the comprehensive plan for the development  
22 of the municipality as a whole;

23           (3) The estimated dates, which shall not be more than twenty-three years from the  
24 adoption of the ordinance approving a redevelopment project within a redevelopment area, of  
25 completion of any redevelopment project and retirement of obligations incurred to finance  
26 redevelopment project costs have been stated, provided that no ordinance approving a  
27 redevelopment project shall be adopted later than ten years from the adoption of the ordinance  
28 approving the redevelopment plan under which such project is authorized and provided that no  
29 property for a redevelopment project shall be acquired by eminent domain later than five years  
30 from the adoption of the ordinance approving such redevelopment project;

31           (4) A plan has been developed for relocation assistance for businesses and residences;

32           (5) A cost-benefit analysis showing the economic impact of the plan on each taxing  
33 district which is at least partially within the boundaries of the redevelopment area. The analysis  
34 shall show the impact on the economy if the project is not built, and is built pursuant to the  
35 redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact  
36 study on every affected political subdivision, and sufficient information from the developer for  
37 the commission established in section 99.820 to evaluate whether the project as proposed is  
38 financially feasible, **provided that, in the case of a redevelopment area that contains a**  
39 **disaster area, such information regarding financial feasibility may be provided by and**  
40 **attested to by the governing body of the municipality;**

41           (6) A finding that the plan does not include the initial development or redevelopment of  
42 any gambling establishment, provided however, that this subdivision shall be applicable only to  
43 a redevelopment plan adopted for a redevelopment area designated by ordinance after December  
44 23, 1997.

45           2. By the last day of February each year, each commission shall report to the director of  
46 economic development the name, address, phone number and primary line of business of any  
47 business which relocates to the district. The director of the department of economic development  
48 shall compile and report the same to the governor, the speaker of the house and the president pro  
49 tempore of the senate on the last day of April each year.

          99.835. 1. Obligations secured by the special allocation fund set forth in sections 99.845  
2 and 99.850 for the redevelopment area or redevelopment project may be issued by the  
3 municipality pursuant to section 99.820 or by the tax increment financing commission to provide  
4 for redevelopment costs. Such obligations, when so issued, shall be retired in the manner  
5 provided in the ordinance or resolution authorizing the issuance of such obligations by the

6 receipts of payments in lieu of taxes as specified in section 99.855 and, subject to annual  
7 appropriation, other tax revenue as specified in section 99.845. A municipality may, in the  
8 ordinance or resolution, pledge all or any part of the funds in and to be deposited in the special  
9 allocation fund created pursuant to sections 99.845 and 99.850 to the payment of the  
10 redevelopment costs and obligations. Any pledge of funds in the special allocation fund may  
11 provide for distribution to the taxing districts of moneys not required for payment of  
12 redevelopment costs or obligations and such excess funds shall be deemed to be surplus funds,  
13 except that any moneys allocated to the special allocation fund as provided in subsection 4 **or**  
14 **15** of section 99.845, and which are not required for payment of redevelopment costs and  
15 obligations, shall not be distributed to the taxing districts but shall be returned to the department  
16 of economic development for credit to the general revenue fund. In the event a municipality only  
17 pledges a portion of the funds in the special allocation fund for the payment of redevelopment  
18 costs or obligations, any such funds remaining in the special allocation fund after complying with  
19 the requirements of the pledge, including the retention of funds for the payment of future  
20 redevelopment costs, if so required, shall also be deemed surplus funds. All surplus funds shall  
21 be distributed annually to the taxing districts in the redevelopment area by being paid by the  
22 municipal treasurer to the county collector who shall immediately thereafter make distribution  
23 as provided in subdivision (12) of section 99.820.

24         2. Without limiting the provisions of subsection 1 of this section, the municipality may,  
25 in addition to obligations secured by the special allocation fund, pledge any part or any  
26 combination of net new revenues of any redevelopment project, or a mortgage on part or all of  
27 the redevelopment project to secure its obligations or other redevelopment costs.

28         3. Obligations issued pursuant to sections 99.800 to 99.865 may be issued in one or more  
29 series bearing interest at such rate or rates as the issuing body of the municipality shall determine  
30 by ordinance or resolution. Such obligations shall bear such date or dates, mature at such time  
31 or times not exceeding twenty-three years from their respective dates, when secured by the  
32 special allocation fund, be in such denomination, carry such registration privileges, be executed  
33 in such manner, be payable in such medium of payment at such place or places, contain such  
34 covenants, terms and conditions, and be subject to redemption as such ordinance or resolution  
35 shall provide. Obligations issued pursuant to sections 99.800 to 99.865 may be sold at public  
36 or private sale at such price as shall be determined by the issuing body and shall state that  
37 obligations issued pursuant to sections 99.800 to 99.865 are special obligations payable solely  
38 from the special allocation fund or other funds specifically pledged. No referendum approval  
39 of the electors shall be required as a condition to the issuance of obligations pursuant to sections  
40 99.800 to 99.865.

41           4. The ordinance authorizing the issuance of obligations may provide that the obligations  
42 shall contain a recital that they are issued pursuant to sections 99.800 to 99.865, which recital  
43 shall be conclusive evidence of their validity and of the regularity of their issuance.

44           5. Neither the municipality, its duly authorized commission, the commissioners or the  
45 officers of a municipality nor any person executing any obligation shall be personally liable for  
46 such obligation by reason of the issuance thereof. The obligations issued pursuant to sections  
47 99.800 to 99.865 shall not be a general obligation of the municipality, county, state of Missouri,  
48 or any political subdivision thereof, nor in any event shall such obligation be payable out of any  
49 funds or properties other than those specifically pledged as security therefor. The obligations  
50 shall not constitute indebtedness within the meaning of any constitutional, statutory or charter  
51 debt limitation or restriction.

          99.845. 1. A municipality, either at the time a redevelopment project is approved or, in  
2 the event a municipality has undertaken acts establishing a redevelopment plan and  
3 redevelopment project and has designated a redevelopment area after the passage and approval  
4 of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with  
5 the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by  
6 passing an ordinance providing that after the total equalized assessed valuation of the taxable real  
7 property in a redevelopment project exceeds the certified total initial equalized assessed  
8 valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and  
9 payments in lieu of taxes, if any, arising from the levies upon taxable real property in such  
10 redevelopment project by taxing districts and tax rates determined in the manner provided in  
11 subsection 2 of section 99.855 each year after the effective date of the ordinance until  
12 redevelopment costs have been paid shall be divided as follows:

13           (1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract,  
14 or parcel of real property which is attributable to the initial equalized assessed value of each such  
15 taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment  
16 project shall be allocated to and, when collected, shall be paid by the county collector to the  
17 respective affected taxing districts in the manner required by law in the absence of the adoption  
18 of tax increment allocation financing;

19           (2) (a) Payments in lieu of taxes attributable to the increase in the current equalized  
20 assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected  
21 for the redevelopment project and any applicable penalty and interest over and above the initial  
22 equalized assessed value of each such unit of property in the area selected for the redevelopment  
23 project shall be allocated to and, when collected, shall be paid to the municipal treasurer who  
24 shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation  
25 Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred

26 in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien  
27 against the real estate of the redevelopment project from which they are derived and shall be  
28 collected in the same manner as the real property tax, including the assessment of penalties and  
29 interest where applicable. The municipality may, in the ordinance, pledge the funds in the  
30 special allocation fund for the payment of such costs and obligations and provide for the  
31 collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner  
32 as a special assessment lien as provided in section 88.861. No part of the current equalized  
33 assessed valuation of each lot, block, tract, or parcel of property in the area selected for the  
34 redevelopment project attributable to any increase above the total initial equalized assessed value  
35 of such properties shall be used in calculating the general state school aid formula provided for  
36 in section 163.031 until such time as all redevelopment costs have been paid as provided for in  
37 this section and section 99.850;

38 (b) Notwithstanding any provisions of this section to the contrary, for purposes of  
39 determining the limitation on indebtedness of local government pursuant to article VI, section  
40 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area  
41 selected for redevelopment attributable to the increase above the total initial equalized assessed  
42 valuation shall be included in the value of taxable tangible property as shown on the last  
43 completed assessment for state or county purposes;

44 (c) The county assessor shall include the current assessed value of all property within  
45 the taxing district in the aggregate valuation of assessed property entered upon the assessor's  
46 book and verified pursuant to section 137.245, and such value shall be utilized for the purpose  
47 of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri  
48 Constitution;

49 (3) For purposes of this section, "levies upon taxable real property in such redevelopment  
50 project by taxing districts" shall not include the blind pension fund tax levied under the authority  
51 of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers'  
52 inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of  
53 the Missouri Constitution, except in redevelopment project areas in which tax increment  
54 financing has been adopted by ordinance pursuant to a plan approved by vote of the governing  
55 body of the municipality taken after August 13, 1982, and before January 1, 1998.

56 2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection  
57 1 of this section, for redevelopment plans and projects adopted or redevelopment projects  
58 approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total  
59 additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing  
60 districts, which are generated by economic activities within the area of the redevelopment project  
61 over the amount of such taxes generated by economic activities within the area of the

62 redevelopment project in the calendar year prior to the adoption of the redevelopment project by  
63 ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales  
64 or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant  
65 to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and  
66 any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section  
67 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local  
68 political subdivision collecting officer to the treasurer or other designated financial officer of the  
69 municipality, who shall deposit such funds in a separate segregated account within the special  
70 allocation fund. Any provision of an agreement, contract or covenant entered into prior to July  
71 12, 1990, between a municipality and any other political subdivision which provides for an  
72 appropriation of other municipal revenues to the special allocation fund shall be and remain  
73 enforceable.

74         3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection  
75 1 of this section, for redevelopment plans and projects adopted or redevelopment projects  
76 approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from  
77 taxes, penalties and interest which are imposed by the municipality or other taxing districts, and  
78 which are generated by economic activities within the area of the redevelopment project over the  
79 amount of such taxes generated by economic activities within the area of the redevelopment  
80 project in the calendar year prior to the adoption of the redevelopment project by ordinance,  
81 while tax increment financing remains in effect, but excluding personal property taxes, taxes  
82 imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels,  
83 taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation  
84 pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of  
85 taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form  
86 of government and with more than six hundred thousand but fewer than seven hundred thousand  
87 inhabitants, for the purpose of sports stadium improvement, shall be allocated to, and paid by the  
88 local political subdivision collecting officer to the treasurer or other designated financial officer  
89 of the municipality, who shall deposit such funds in a separate segregated account within the  
90 special allocation fund.

91         4. Beginning January 1, 1998, for redevelopment plans and projects adopted or  
92 redevelopment projects approved by ordinance and which have complied with subsections 4 to  
93 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes

109 that purpose. No municipality shall commit any state revenues prior to an appropriation being  
110 made for that project. For all redevelopment plans or projects adopted or approved after

112 Missouri supplemental tax increment financing fund into the special allocation fund unless the  
113 municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes  
114 and fifty percent of economic activity taxes generated by the project shall be used for eligible

134 during the baseline year. The incremental increase in the general revenue portion of state sales  
135 tax revenues for an existing or relocated facility shall be the amount that current state sales tax

For all redevelopment plans or projects adopted or approved after August 28, 2012, appropriations from the state disaster recovery revenues and any additional state revenues shall not be distributed from the Missouri supplemental disaster recovery fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

18. In order for the redevelopment plan or project to be eligible to receive the revenues described in subsection 15 of this section, the municipality shall comply with the requirements of subsection 21 of this section prior to the time the project or plan is adopted or approved by ordinance.
